

Energy & Infrastructure

Stoel Rives LLP counts among the largest energy law practices based in the U.S. — with over 100 attorneys across our firm providing services to traditional and renewable energy clients, and nearly 80 “core” energy practitioners. Nationally recognized by Chambers USA and U.S. News – Best Lawyers® “Best Law Firms” as a top energy practice, the firm has been at the forefront of the incredible growth of energy services over the last 15 years.
